Re: 2101 Hoover Avenue Tenant and Building Improvements Project,  
Specification No. 14-01

To the General Public via National City Website:

Six bids were received and opened by our City Clerk on March 26, 2014, for the 2101 Hoover Avenue Tenant and Building Improvements Project, Specification No. 14-01.

The City of National City has decided to not move forward with this project and therefore will not award a contract for said project.

Per Page 4 of the Specifications, Item 14 of the *Instructions to Bidders* Section, the City reserves the right to "accept or reject any or all bid proposals...which, in its opinion, serves the best interest of the City of National City."

The six prime contractors submitting a bid were individually notified of the decision via certified mail.

Thank you for your interest in National City.

Sincerely,

Stephen Manganiello  
City Engineer
